FOR IMMEDIATE RELEASE

#### **Three Mile Junction signals will be in flash mode for a week**

COEUR d'ALENE - The traffic signal at the intersection of U.S. 2 and U.S. 95 (Three Mile Junction) will be in flash mode for approximately a week, starting **today (Wednesday, Nov. 13)**, as ITD technicians work to locate a possible short in the electrical system causing the signal to flash "all-red."

U.S. 95 north- and southbound traffic signals will flash yellow and U.S. 2 traffic signals will flash red, in compliance with standards. This will be consistent with signal operation throughout the district when they are not functioning properly.

*Highway construction is one of the key forces pushing Idaho toward full economic recovery by creating jobs, improving safety and reducing traffic congestion.*
